

28th October 2025

Dear Parent / Guardian

Year 6 Orientation 2025

Northam SHS will be holding Orientation for 2026 Year 7 students over two consecutive Tuesdays (25/11/2025 and 02/12/2025) this term.

Every student with a returned enrolment for 2026 at Northam SHS has been added to class lists for both days and will have a personal timetable provided to them on the morning of Tuesday 25/11/2025.

We look forward to welcoming students for Orientation to familiarise them with the campus and facilities and to give them information that will make the start of 2026 a successful one. Some key considerations for Orientation are:

1. Students are to make their own way to NSHS
2. Students are to supply their own recess and lunch
3. Students catching buses will be escorted to their buses at the end of the day
4. Each day will commence at 9am and students are to meet at the school Performing Arts Centre (PAC) by 8:55am. The location is marked on map overleaf

Parents/Carers are invited to attend on **Tuesday 25/11 at 9:00am** for an opportunity to meet the Principal and members of the school Administration team over morning tea before the commencement of the Positive Parenting Program (PPP) Fear – Less seminar. **The seminar will be facilitated by school psychologist, Charlotte Rayner and will begin at 9:30am and will run until 10:00am in the school library – a flyer is also attached. Parents who are intending to attend the Fear Less seminar can contact the school office to confirm attendance.**

We look forward to your child attending Northam SHS on Tuesday the 25/11 and 2/12. Please feel free to contact me with any questions regarding Transition and Orientation by emailing vanessa.carlson@education.wa.edu.au or phoning 9621 6300.

Yours sincerely,

Vanessa Fallows
Deputy Principal (Year 7/10/11)
