PRINCIPAL'S REPORT

Term 1 is coming to an end and, like every term of our school year, it has been a busy one.

Our **Centenary Celebrations** are happening on Saturday 15 May 2021 from 10.00am—3.00pm. We have had a lot of community interest and I thank our sponsors for their support of the event.

We would love to see you there so please register your details for the event on our website www.northamseniorhighschool.edu.au.

It is a free community event with lots of activities and entertainment on offer. There will be merchandise for sale so please take a look on our website.

All learning areas have completed data reviews of Semester 2 2020 results. Heads of Learning Areas, (HoLAs) have presented the reflections of their teams to the Executive. They have reflected on 3 questions regarding their data:

1. What are you seeing?
2. Why are you seeing it?
3. What can you do to improve?

The reflections have indicated staff are considering changes and improvements to their teaching and learning progress assessments and moderation strategies.

All these improvements ensure students are at the centre of all we do at Northam SHS and we are working to provide students with opportunities for success and effective pathways beyond school.

It was wonderful to spend time with our Aboriginal Elders at our **Elders Luncheon** to yarn about what is working well in the school and what we can do better.

Our community partnerships and relationships are a priority at Northam SHS.

Thank you to all the parents/carers who attended our recent **Parent/Teacher night**. It was a very positive opportunity to discuss the progress of your children.

PRINCIPAL REPORT

Tracy Chapman

One of our valued staff members Tracy Chapman, passed away unexpectedly in early March. Tracy was an Education Assistant and worked with so many of our students and staff making a positive difference to their lives. Tracy is very much missed and we extend our deepest sympathy to her family and friends.

Farewell to Lynne Sierociak and Sheryn Wiktorski who are retiring at the end of Term 1. Both are long serving members of our staff and we thank them for their work in the library (Lynne) and as an Education Assistant (Sheryn). Farewell also to Brad Westcott who is taking up a teaching position at Pinjarra SHS. Brad will be missed as a Phys Ed teacher and Year Coordinator. We wish them all the best of luck.

Lynne Sierociak

Sheryn Wiktorski

Brad Westcott

Please take care, have a happy and safe Easter and holiday.

We look forward to seeing you all next term, especially at our Centenary Celebration on Saturday 15 May.

HELP STOP THE SPREAD

Take care not to share

- **Wash** your hands often, with soap and water including before and after eating and after going to the toilet.
- **Use** hand sanitiser.

- **Cover** your coughs and sneezes with your arm or a tissue (not your hands).

- **Put** tissues straight **into the bin** and then wash your hands.
- **Don't touch** your mouth or face.

- **Reduce** face-to-face contact and handholding, or handshakes.
- **Stay connected** online.

- **Try to keep more space than normal** between yourself and others.
- **Avoid** queuing.

- **Look after** yourself and your mates.
- Try to **keep a routine**, particularly if self-isolating.
- **Avoid fake news** about the virus and refer to reliable information.
- **Reach out to others** if you are feeling anxious, or if you think they are.

Doing this will help keep you, your family, friends and the community safe.

DEPUTY PRINCIPAL REPORT Senior School

Most students have settled in well to the 2021 year and have already received their Progress Reports indicating how they are progressing. Students have been reminded that they need to be 'on-track' with their studies – making sure that they are passing at least four of their courses. Students who are not achieving the required number of C grades will be invited to have a meeting with either the Year Coordinator, or myself, to discuss their options.

Quite a number of parents had the opportunity to speak with teachers last Thursday during the Parent/Teacher Interviews. These are very important to aid the communication between school and home as well as focussing on individual student feedback. If you were unable to make the event, you can contact either Mr Peter Treeby Year 10/11 Coordinator or Mrs Trenaman Year 12 Coordinator for any issues and to arrange any meeting you would like.

Year 12 Students are not able to change classes after this week and Year 11 students will need to wait until the end of Semester 1 to be able to change course.

OLNA

Students have finished the first round of OLNA for 2021 – the final date for Reading and Numeracy was Friday 26 March, 2021. We will hopefully have the results by the beginning of next term. Students will be able to participate in Round 2 in September (Term 3) if they did not reach Category 3 in any component.

Externally Set Tasks (ESTs)

Year 12 students in Foundation and General Courses will be required to sit the ESTs during the first few weeks next term. These are tests that all students completing the same courses across the state sit to verify student results. More information will follow early next term in assemblies, Connect and Facebook.

Elevate – Study Skills

Students in Year 10, 11 and 12 who are planning a pathway to university post-school, were involved in seminars to assist the development of study-skills, time-management and examination preparation skills. All the students who participated found the seminars very useful and felt that they were very beneficial to their study programs. The information that was handed out to students will also be available on the Connect groups for Year 10 – 12.

Year 12 Ball

The Year 12 Ball was held on Friday 26 March. Congratulations to Mrs Trenaman and all the Year 12 students for organising this event.

Mary Anne Morgan

Deputy Principal

DEPUTY PRINCIPAL REPORT Senior School

The Centenary Games 14 May 2021

As part of our school's 100 Year celebrations, the school is holding a Centenary Games at the Northam Recreation Centre. With the theme of A Community United students have the opportunity to represent their faction in a choice of **Sporting, Humanities, STEM or Caring For Country** competitions that earn points towards the Centenary Games Trophy.

Students have been asked to choose the activities they would like to compete in, and also nominate a reserve choice should that be required (subject to student numbers).

More information will follow in the upcoming weeks including details of travel and supervision.

Sporting:

Students participate in one of four teams in FIVE different sports: Dodgeball, Volleyball, Floorball, Basketball and Netball.

You will play all 5 sports in a mixed team made up of the students in your year group and your faction throughout the day. You will be able to rotate through your players and it will give you the opportunity to show how you work with others in a physically active way. If you enjoy running around, working with others and having some fun then this is the option for you!

Humanities:

Students participate in one of four teams in FIVE different options: Debating, Drama Games, Quiz and Chess Competition, Indigenous Art and Scavenger Hunt.

You will play all 5 options in a mixed team made up of the students in your year group and faction throughout the day. You will be able to rotate through your players and it will give you the opportunity to show how you work with others in a physical and academic way. If you enjoy arguing your case, pretending to be someone else, answering trivia questions or playing a game for x2 people, being creative and then working out clues to find hidden things by working with others and having some fun then this is the option for you!

DEPUTY PRINCIPAL REPORT Lower School

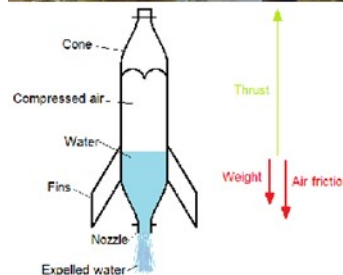

STEM:

Students work in groups in the THREE STEM challenges.

Longest flight time Water Rockets- students compete for the longest time in air for a water compression rocket using bike pumps. Winner will be the longest time per group competition.

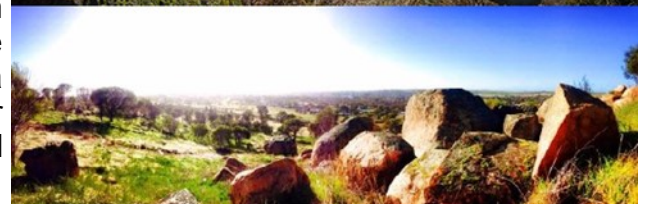

Building Structures competition (using Spaghetti)- Students using materials (to be determined based on funding/preparation) such as spaghetti, popsicles, straws, etc and building the tallest building outdoors in groups.

The Egg Drop- Students design, build, and test a way of Dropping an Egg from height without breaking it.

Caring for Country:

If you have a passion for the Ballardong Country we live, work and play on this option is for you. The session links to the 2021 NAIDOC theme of 'Heal Country' that is being celebrated this year. During the session the importance of Caring for Country will be discussed, as well as links to Aboriginal Culture and History. Those who choose the Caring for Country session, will travel to Mt Ommaney to do a clean-up of the area as well as part of the nearby 'Kep Track' walking trail. After morning tea (provided), we will travel to the banks of the Avon River removing rubbish and helping make the ecosystem healthier for the wildlife. We will then join the rest of the school back at the Northam Recreation Centre after lunch and cheer on the remaining sporting activities of the day. It will be a physically active day, but your contribution to our Northam community will make it worthwhile... And we're shouting morning tea!

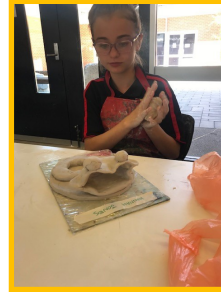

Mr. Kardol

Deputy Principal

STUDENT SERVICES

The Fragon is a cross between a dragon and a frog. Students learn all the different clay skills and techniques required for this type of art. A fragon is created by making a pinch pot rolling out a slab and being able to join clay using scoring and blending. This enables us to make eyes, wings, legs and other features. Year 7 students are really enjoying this unit of work.

PHYSICAL EDUCATION

Graeme Wood Shield Cricket

Throughout this term, the Senior boys have been participating in a three match series of cricket against Cunderdin Agricultural College. All three games were closely contested and all were won by less than 6 runs.

In game 1, NSHS was sent into bat first and scored a competitive total of 5/137 from our 20 overs, with Jack Parmenter scoring 67 from 57 deliveries. Unfortunately Cunderdin were able to chase down the total, scoring the winning run off the last ball of the innings. Kayne Gorbis finished with figures of 2/17 off his 4 overs and Fletcher Page managed 2/18 off his 3 overs.

Game 2, NSHS were once again sent in to bat first. Runs were hard to come by and we only managed to set a total of 7/106 from our 20 overs. Glen Podmore top scored with 34 from 42 deliveries. Cunderdin were cruising along at 4/96 after 13 overs and looked set to win Game 2. In the next 2.4 overs NSHS managed to take 6/5 and snatch victory away from Cunderdin. Kane O'Driscoll finished with figures of 3/3 off 1.4 overs, Jack Parmenter took 3/12 off 2 overs and Glen Podmore took 3/23 off 3 overs.

In the final game of the series, NSHS won the toss and chose to field first. Cunderdin scored 6/109 off their 20 overs. Cody Gorbis and Fletcher Page both finished with figures of 2/18 off 4 overs. The run chase came down to the last two balls. NSHS required 3 runs from 2 balls when Kane O'Driscoll hit a six to secure the victory. NSHS ended up winning by 1 wicket with Kayne Gorbis top scoring with 33 from 31 deliveries.

All three games were played with fantastic sportsmanship from both schools with great cricket skills displayed. Well done to all the boys who participated and I look forward to seeing another successful series in 2022.

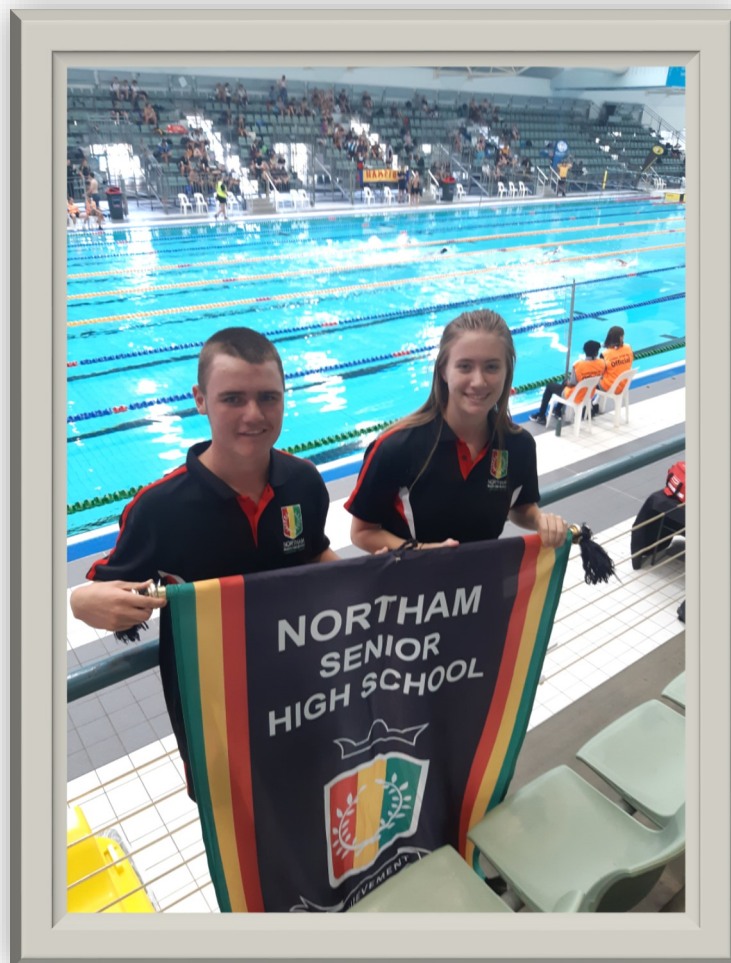

Brad Westcott

Health and Physical Education

PHYSICAL EDUCATION

Our Interschool Swimming team travelled down to HBF Stadium in Perth to compete in the SSWA Swimming Carnival on Monday 15 March.

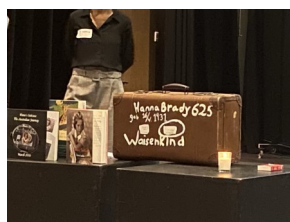

We had only 14 students, a smaller number than the 10 other schools we competed against in E Division. However, that did not stop our students from giving it their best and we were rewarded with some outstanding individual and team results. There were a number of top 3 placing students, including a few winners, as well as Emma Nayler and Shanika Moore finishing as joint runner's up for the Year 10 and over champion girl. NSHS finished last for the carnival, however, both Mr. Middleditch and Ms. Woods were extremely pleased with the efforts demonstrated by the entire team. A great effort from a small numbered but big hearted team!

Craig Middleditch
Health and Physical Education

YEAR 7

In **English**, we participated in an incursion relating to the novel read in class. We were visited by three incredibly passionate volunteers from the Holocaust Museum of WA. The flash floods the night before and inclement weather on the day could not keep these lovely ladies away. They were so impressed with the questions they were asked and the behaviour shown on the day.

In **HASS** we have finished a test, some of us doing exceptionally well, and are about to complete a Source Analysis on water! It's full steam ahead for us now!

Last Tuesday we had our first round of HPV **vaccinations**. The visiting nurses were impressed we followed instructions, the courage we demonstrated and the support we offered each other. The nurses couldn't believe they were being thanked by us after they had given us two needles!

Last Wednesday the school participated in the **World's Greatest Shave**. We are so proud of Samuel Vincent who took the plunge, alongside some of our teachers and fellow students, to have his hair shaved off. We have so much respect for Mariam Tajaran in Year 9 who had her very long hair shaved off. We think she looks beautiful!

Our **Student Leaders** are Bridie Dillon, Hannah Jones, Izaac Macpherson-Kardol and Kale Taylor.

Bridie Dillon

Hannah Jones

Izaac Kardol

Kale Taylor

It was a very tough decision and everyone who applied were willing and capable applicants. We know Miss Polain was sad when she couldn't have all of us, but we also know she was super-proud of us when the Leaders were announced and everyone clapped for each other.

ITALIAN

Italian program at Northam Senior High School

Italian has taken off swiftly at Northam Senior High School – like a gondola floating down the Venetian canals – and, although we cannot physically travel to the 'Boot' at the moment, we are trying to establish as much of an Italian ambience as possible.

Anyone who decides to stroll down past room 10 will notice our welcome wagon rolled out (or, rather, posted on the door) not only in Italian but in many other languages that may be recognised by speakers of a second language at Northam SHS, including French, Noongar, Māori and Tagalog. Although Italian is the language being taught in Room 10, all languages are recognised, welcomed and embraced, in order to give a true sense of the multiculturalism and diversity that is embodied at NSHS.

Moving forward in the year, Term 2 will see the beginning of our Italian Cards Club. This will be a great opportunity for all students to come down to room 10 to learn some of Italy's most famous card games and what it is that makes them so fun. The Cards Club will most likely be held during first or second break, with the day of the week to be confirmed.

At NSHS, students are still getting to know and identify their immediate words in Italian, looking at basic vocabulary relating to names, ages, school and family. One way in which we will be engaging even more with the Italian language and culture is through a pen-pal partnership with a secondary school in Northern Italy's Lombardy region. Students will get to make a new friend on the other side of the world and begin seeing Italian as something more than images in a textbook or information on a PowerPoint.

I want to congratulate my Year 7 Italian classes for a great start to the year and I wish them all the best for the rest of the year.

Mr. Musto

English and LOTE

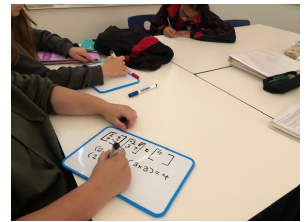

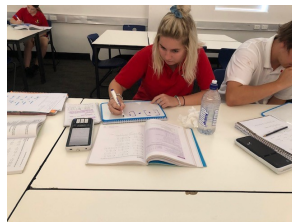

DESIGN AND TECHNOLOGY

Emma Moore and Tom Goss working on Room 14 pinup boards using skills learned in their D & T classes.

Year 11 Apps students working on matrices on mini boards.

Our Year 8 Digital Technology students are 'getting their hands dirty' with some introductory robotics gear.

The subject is being run with a STEM focus (Science, Technology, Engineering and Maths).

The starting point with these Arduino systems is to build a circuit for a flashing 'S.O.S' LED, and then upload the code to make it run. Once the basic circuit is complete we can modify the code for different letters or timing. Later we will be combining different sensors and components like motors to create some cool automation systems.

Mr. Cowell

Design and Technology

CAREERS & VOCATIONAL EDUCATION (VET)

Northam Senior High School works collaboratively with Central Regional TAFE, to offer up-to-date, relevant and engaging courses for students in Year 11 and 12, to develop skills for their future employment pathways.

● Westrac Apprenticeship Program

- Year 12 student, Jorjee Abdullah, has been accepted into the Westrac Apprentice Program for 2021. There were 846 applicants in the 2021 intake, with Jorjee being one of 8 apprentices to be chosen. Congratulations to Jorjee and his family on achieving this highly regarded position.

Students from the Certificate IV in Preparation for Health and Nursing Studies, demonstrating appropriate use of PPE (Personal Protective Equipment) in a hospital setting.

Students from the Certificate II in Building and Construction - Pathway Trades and Certificate II in Automotive Vocational Preparation, enjoying a break between classes .

Mrs Hecker

VET School Officer

LIFE

Life students went to Bounce for their first reward excursion of the year.

This excursion was for students with excellent attendance and work ethic and achievements within the classroom.

Students had a fantastic time and enjoyed Hungry Jacks for lunch before the drive back to school.

The class is already working towards and planning their next reward outing.

Miss Shilcock

Connecting Wheatbelt students and jobseekers with employers, training and jobs

Save the date - 8 September 2021

Northam Junior Football Club

The Northam Junior Football Club is seeking expressions of interest from coaches, umpires and players for the coming 2021 season.

Coaches and umpires will be required to complete an online course, which the club will reimburse the costs. Registrations are open for boys and girls for Under 9, Under 11, Under 13 and Under 16. All enquiries to northamjuniorfootball@gmail.com or please find us on Facebook at <https://www.facebook.com/northamjuniorfootballclub>

Auskick 2021

Auskick 2021 will kick off on Friday 14 May from 4:00-5:00pm on Bert Hawke Oval for eight weeks. Auskick is for boys and girls from 5 to 8 years of age. It helps build ball-skills, hand-eye coordination and teamwork. It is a requirement that you register and pay online to secure your place and we strongly suggest that you register early so that your child receives their Auskick pack before the first session. Cost is \$70 per player.

To register visit <http://www.play.afl/auskick> If you are experiencing difficulties registering your child please email aflauskick@afl.com.au Please keep in mind that this program is only possible with parent assistance to help keep the evening running well. Please consider registering yourself to lend a hand when registering your child.

COMMUNITY NOTICES

NORTHAM HOCKEY CLUB

The Northam Hockey Club is part of the Avon Hockey Association.
We have a brand new synthetic playing turf located at the Bert Hawke Reserve, Suburban Road Northam.

Games are played on Saturdays in Northam, York, Beverley and Wongan Hills.

- Season:** Hockey is an outdoor sport played during winter, usually starting the first weekend in May and finishing with finals in September. (actual dates TBA)
- Divisions:** Our juniors play in 3 mixed divisions; 5/6s (school year 6 and under), 7/9s (school year 7 to 9), 10/12s (school year 10 to 12)
- Minkey: is our learn-to-play coaching for school years 3 and under.
- Adults: Men and Women.
- Registration:** Early registrations are open online at <https://www.revolutionise.com.au/northamhc/registration/>
- Fees:** Hockey Australia Levy : Payable online at registration: Juniors \$31.50, Adults \$42
- Club fees: Juniors \$100 per player – all payment types accepted
- KIDS SPORT** We are a Kidsport eligible club. Eligible children can use their \$150 kidsport voucher towards all registration fees.
- Events:** The club is hosting an Anzac Day Festival on 24/25th April.
- We also join the Avon Association to go Club championships in Perth and/or the Narrogin Hockey Competition.
- Equipment required:** All players require their own hockey stick, shin pads, and mouth guards. Socks and bottoms usually are in common football colours. Team shirts are supplied by the club.

COME AND TRY SCOUTS!

Scouting is fun and adventurous, and youth aged 5 (and in Pre-Primary) to 25 years can join!

Northam Scout Group meet on Mondays and Thursdays after school at 46 Burnside Avenue, Northam. Joey Scouts (5 and in Pre-primary to 7 years) meet Mondays from 4pm to 5.30pm to 7pm, Cub Scouts (8 to 11 years) meet Thursdays from 4pm to 6pm, Scouts (11 to 15 years) meet Thursdays from 6.30pm to 8.30pm and Venturer Scouts (15 to 17 years) meet Thursdays from 6.30pm to 8.30pm as well. Rover Scouts (18 to 25 years) meet in Mundaring.

Anyone wishing to join Joey Scouts, Cub Scouts, Scouts or Venturers is welcome to come along to our meetings and try for free for a few weeks. We are also looking for adults in the community that would like to become an adult volunteer with Scouting, from parent helpers, committee members, and Leaders – many hands make light work, so please contact us to find out more about becoming an adult member of Scouting.

Year 10 Immunisation forms are due back before **Thursday April 22 2021.**

Year 10 Immunisations will be carried out on **Wednesday 28 April 2021.**

If you do not have a form please collect one from reception.

Thank you.

Nurse Andrea

CONNECT is one of the most popular ways we will communicate with parents/carers. It is also a good way to see what your child/ren is/are working on and how they are progressing. If you are not using CONNECT we encourage you to do so. If you are having problems joining please contact Lynley Pelich. 9621 0000
